Abbott Lamp

The Abbott lamp features an elegant bamboo veneer shade which emits a warm natural glow in any space it illuminates. The structural frame, which comes in an assortment of shapes, is produced from cross-laminated bamboo. All components are flat-packable and can be erected with ease. The lamp uses compact fluorescent bulbs. Also available in coffee.

Dimensions:

1750mm(h) x 280mm(w) x 240mm(d) 3kg

Materials:

30mm natural cross-laminated bamboo
.5mm natural vertical bamboo veneer

Short-listed "Best Commercial Release"
The Edge, AIFF, Sydney 2008

Retail price

\$320 – \$380 depending upon shape.
