## Lucille Chaise Lounge

The Lucille chaise lounge is a juxtaposition of modern design and bamboo poles. The lounge redefines the notion of environmental awareness as a highly sensual experience, through the use of tactile and shapely visual elements. The poles are supported by a stainless steel frame that is stylised to complement a reclining body. Optional slimline full-length cushion. Available in black or white.

## Dimensions

650mm(h) x 1815mm(w) x 800mm(d) 50kg

## Materials

Bamboo poles, stainless steel frame
